

Pilot Services Agreement

This Pilot Services Agreement Contract between Corporate Jet Solutions, LLC and _____ is made on this date and shall continue in effect until such time as either party shall make changes in writing.

To comply with the "contractual requirements" of the IRS Hidden Employee twenty question factor test (Section 530, IRS Safe Harbor Ruling, 1978 "Contractor Status"), and equally important, to preclude any misunderstandings between us, we discussed the following:

1. CJS Pilot Services will be invoiced at a rate of \$_____ per day as Captain and \$_____ per day as First Officer. Travel days and layover days are considered chargeable days. Any exceptions to this will be addressed on an individual basis.
2. The client shall reimburse for normal and reasonable expenses that are incurred on your behalf. Such expenses would include, but are not limited to, airfare, hotels, meals, transportation, tips, etc.
3. Upon completion of this contract assignment, CJS will invoice for Services and Expenses which are due and payable upon receipt. Check should be payable to "Corporate Jet Solutions".
4. Insurance Considerations: The Client hereby agrees to indemnify and forever hold harmless Corporate Jet Solutions from and against any liability, whatsoever (including reasonable attorney's fees) arising out of or in any way connected with any damage to or destruction of any aircraft or death, injury or loss resulting from or occasioned by performance of the services rendered pursuant to this agreement. Corporate Jet Solutions and/or any named representative(s) shall be named as additional insured on policies of insurance covering the aircraft. The Client shall obtain a waiver of subrogation from the hull insurance underwriters in favor of Corporate Jet Solutions, in connection with these services.

If the above terms are agreed upon, please sign and return to CJS via email or fax 480.991.1274.

STATEMENT OF "CONTRACTOR" STATUS FOR I.R.S. PURPOSES (Section 530, IRS "Safe Harbor" Ruling, 1978)

Corporate Jet Solutions is an Arizona Limited Liability Corporation that provides "Contract Pilot Services" to the general public for aviation services as pertains to the flight operation of aircraft owned or controlled by the "Client". It is understood by the parties that PILOT is an independent contractor with respect to the OPERATOR and not an employee of the OPERATOR As an independent contracting company. CJS will not hold the client responsible for any other benefits, workman's compensation, Social Security payments, Unemployment taxes or other payroll liabilities, nor would I deem to classify my services under the auspices of "employee" as regards this relationship.
